C. OPERATIONS SUPPORT FACULTY

1. Administrative Procedures Course No. 115

Admin Proc No. 115 with an enrollment of fourteen students started on 4 January. This is an unusually small number of students for this course.

2. Operations Support Course No. 64

The schedule of registrations indicated a total of 34 students enrolled for Ops Support No. 64. [] advised [] that the maximum is thirty, and the necessary adjustment has been made.

3. Other Items

[] has arranged for [] to include coverage of the new regulation [] on the rate of pay for contract employees in his lecture presentation in the Operations Support Course. This regulation is particularly applicable to contract wives, and therefore the support groups should be fully informed of the rates.

D. ADMINISTRATION

The assignment of seminars for the 28 - 29 January Instructors Conference [] has been completed. The entire Headquarters
